NYDocSubmit User Frequently Asked Questions

1. Who should I contact if I am having difficulties using the NYDocSubmit (App)?

Please contact the ITS Service Desk via phone at 844-891-1786, email at fixit@its.ny.gov, or visit https://its.ny.gov. PLEASE NOTE: Do not include a copy of your document or provide private, confidential details included in your document(s). This information is not required to get help with the App.

2. Can I use NYDocSubmit (App) to request help with an emergency situation, such as a utility shut-off, running out of heating fuel, or an eviction?

No. This App is NOT monitored for emergencies. You MUST call or visit your local social services district office if you are requesting help with an emergency situation.

3. What kind of documents can I upload through NYDocSubmit (App)?

The App may be used to send pictures of documents that include information requested by or to report a change to the local social services district (district) for Temporary Assistance (TA), Supplemental Nutrition Assistance Program (SNAP), Home Energy Assistance (HEAP) and Medicaid. You may use the App to send pictures of documents for proof of Age/Identity, Citizenship or Current Alien Status, Income, Medical Documentation, who lives in your household, Residence, Resources, Shelter/Utility Expenses, Social Security Number (SSN) or proof that someone has applied for a SSN or Other (See #8 below). You can also use the App to submit documents related to a change in your household circumstances that you must report to the district.

4. Are there documents that I should NOT upload through NYDocSubmit (App)?

Yes. You should NOT use the App to submit documents for:
- Emergency situations (for example, utility shut-off, running out of heating fuel or an eviction).
- Documents containing sensitive information, such as HIV status, domestic violence information, or confidential addresses. These documents should be submitted to your local social services district via postal mail, fax or in person.
- Any program not listed in the response to question #3 above.
- Initial applications or recertification applications for ANY benefits program or to submit a periodic report. You may visit www.myBenefits.ny.gov to apply online for the Supplemental Nutrition Assistance Program (SNAP) and the Home Energy Assistance Program (HEAP) or to check if you may be able to get help from multiple human services programs. Contact your district for information on how to file an application for TA, SNAP, HEAP or Medicaid.

5. Do I have to log into NY.gov every time I use NYDocSubmit (App)?

Yes. A NY.gov ID is required to use the App. If you do not have a NY.gov ID, a new NY.gov ID can be created at https://my.ny.gov. You can also use this link to request help to reset your password.
6. Can I use the NYDocSubmit (App) if my local social services district (district) is not listed in the App?

No. The App can only be used in the participating districts listed in the App.

7. Can I upload information for another person using NYDocSubmit (App)?

Yes. You can upload pictures of documents for other household members as well as individuals living outside your household. After signing into the App and selecting the social services district for the individual associated with the documents that are being submitted, you should review and update the name, if necessary. Next, enter the individual’s identifying information (for example, case number, SSN) and upload the picture of the document.

PLEASE NOTE: Certain information (for example, document category selected, date and time of upload and tracking number) for each document uploaded through the App will appear on the History screen of the person who logged in for 60 days from the date that the document is uploaded. This is the case regardless of whether the document is for that individual, a household member or another person who asked the individual to send a picture of a document to a district for them.

8. Which Document Category should I select?

Please see information provided below for examples of documents by document category. This is not a complete list of document examples. If you have additional questions, please contact your local social services district office for assistance.

9. Can I upload a picture of a document from the picture gallery from my phone or mobile device? Can I use NYDocSubmit (App) to upload an electronic file, such as a PDF, from my computer?

No. The App cannot access your device’s photo gallery or other storage areas. You must use the App to take a picture of the document you wish to upload to your local social services district.

10. Will NYDocSubmit (App) take a picture of the front and back of a document at the same time or do I need to take a picture of each side and upload?

No. You must take a picture of the front of the document and then a separate picture of the back of the document (and any additional pages for the same document) and then upload all of the pictures for that document. Remember, only one document must be uploaded at a time.

11. Can I upload more than one document at a time with NYDocSubmit (App)?

No. You should only upload one document at a time. If you need to upload multiple documents for different document categories, different individuals, or different case numbers, each of those documents must be uploaded separately. The App will provide a prompt “would you like to submit another document” after you upload a document, which will allow you to start the process to submit the next document, if needed.

12. Will I be sent a receipt for the documents that I submit through the NYDocSubmit (App)?

No. A receipt will not be sent. A confirmation page will appear in the App if the picture of the document was uploaded successfully. This confirmation page will include the name for whom the document was submitted, the document category selected, the date and time of the upload, and a tracking number. Please keep this information for your records. You may do so by taking a screenshot of the confirmation page or by writing down the information contained in the screen.

13. Why should I keep the NYDocSubmit (App) tracking number that appears after I submit a picture of a document?

The tracking number provides proof that a picture of a document was uploaded, and may also be used by the local social services district to locate a document submitted through the App. It is important to keep this tracking number for your records regarding your case.
14. What should I do if I realize that I submitted document(s) to the wrong local social services district (district)?

Please use the NYDocSubmit (App) to take a new photo of the document and send that picture to the correct district.

15. What should I do if I realize that I submitted the wrong document(s)?

Please use the NYDocSubmit App to take a new photo of the correct document and send that picture to your local social services district.

16. What should I do if I realize that I made a mistake in the identifying information when submitting pictures of documents to the local social services district (district)?

If your district has any questions or concerns regarding your submission, they may contact you. You may also contact the district directly to discuss the situation with them.
