## **Discharge Preparation Checklist**

## Before I leave the care facility, the following tasks should be completed:

I have been involved in decisions about what will take place after I leave the facility.	I understand what symptoms I need to watch out for and whom to call should I notice them.
I understand where I am going after I	I understand how to keep my health problems from becoming worse.
leave this facility and what will happen to me once I arrive.	My doctor or nurse has answered my most important questions prior to leaving the facility.
I have the name and phone number of a person I should contact if a problem arise during my transfer.	My family or someone close to me knows that I am coming home and what I will need once I leave the facility.
I understand what my medications are, how to obtain them and how to take them.	If I am going directly home, I have scheduled a follow-up appointment with my doctor, and I have transportation to this appointment.
I understand the potential side effects of my medications and whom I should call if I experience them.
