Nondiscrimination Policy Statement

It is the policy of the Herkimer County to prevent and eliminate discrimination in all of its operations and services as well as all aspects of employment. All Department, Divisions, Offices, and Bureaus will plan, develop and implement their programs and activities so that no person is subjected to unlawful discrimination based on race, creed, color, gender, age, national origin, religion, disability, sexual orientation, marital status, or Vietnam era veteran status.

This policy fully incorporates throughout all of the Herkimer County operations the requirements of applicable State and Federal laws and executive orders to prohibit any discriminatory practices, procedures and policies. All administrators, managers, supervisors and employees are directed to comply with these laws and orders.

Herkimer County is committed to maintaining an agency which recognizes and values the inherent worth and dignity of every person; fosters tolerance, sensitivity, understanding, and mutual respect among its members; and encourages each individual to strive to reach their own potential.

This policy will be placed on all Herkimer County’s bulletin boards and made available to all organizations and entities doing business with Herkimer County. Any complaints involving allegations of discrimination should be sent to Steve Billings, Herkimer County Personnel Officer.

General Assurances
In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity, "for which the Recipient receives Federal financial assistance from DOT, including the NYSDOT."

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these nondiscrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.
Specific Assurances
More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted Federal Highway and Federal Transportation funded programs:

1. The Recipient agrees that each "activity," "facility," or "program," as defined in §§ 21.23 (b) and 21.23 (e) of 49 C.F.R. § 21 will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.

2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with all Federal Highway and Federal Transportation programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

Herkimer County, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 US. C.§§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations.

4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.

5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.

7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
   a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
   b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
   a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
   b. the period during which the Recipient retains ownership or possession of the property.

9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.
By signing this ASSURANCE, Herkimer County also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the NYS Department of Transportation access to records, accounts, documents, information, facilities, and staff. Limited English Proficiency (LEP) Plan

HERKIMER COUNTY

INTRODUCTION
This *Limited English Proficiency Plan Template* has been prepared to address Herkimer County’s responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English proficiency. The Plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq., and its implementing regulations, which states that no person shall be subjected to discrimination on the basis of race, color or national origin.

Executive Order 13166, titled *Improving Access to Services for Persons with Limited English Proficiency*, states that differing treatment based upon a person’s inability to speak, read, write or understand English is a type of national origin discrimination which is covered under Title VI. It directs each agency (e.g., FHWA) to publish guidance for its respective recipients (e.g., NYSDOT) clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies that receive federal funds and extends to its sub recipients.

**Plan Summary**

Herkimer County has developed this *Limited English Proficiency Plan* to help identify reasonable steps for providing language assistance to persons with limited English proficiency (LEP) who wish to access services provided. As defined by Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and notification to LEP persons regarding the availability of assistance. For detailed guidance regarding LEP, see NYSDOT’s LEP Plan at:

In order to prepare this plan, Herkimer County used the Federal Highway Administration (FHWA) Four-Factor LEP analysis:

1. The number or proportion of LEP persons in the service area who may be served by Herkimer County.
2. The frequency with which LEP persons come in contact with Herkimer County services.
3. The nature and importance of services provided by Herkimer County to the LEP population.
4. The interpretation services available to Herkimer County and overall cost to provide LEP assistance. A summary of the results of the four-factor analysis is found in the following section.

**MEANINGFUL ACCESS: FOUR-FACTOR ANALYSIS**
1. The number or proportion of LEP persons in the service area who may be served or are likely to require Herkimer County services

Herkimer County staff reviewed the American Community Survey 5-Year Estimates for New York State and determined that:

a. 3,497 individuals in the Herkimer County service area comprising 6.0% of the population speak a language other than English;
b. Of those, 790 individuals have limited English proficiency; that is, they speak English less than “very well” or “not at all.” This is only 1.3% of the overall population in the service area;
c. In the Herkimer County service area, of those persons with limited English proficiency:

- 181 speak German
- 119 speak Spanish
- 96 speak Chinese
- 186 speak Russian
- 43 speak Vietnamese
- 2 speak French
- 9 speak Tagalog
- 77 speak Asian & Pacific Island
- 56 speak Arabic, Indo-European
- 21 speak all other languages
2. The frequency with which LEP persons come in contact with Herkimer County services

Herkimer County reviewed the frequency with which their staff have, or potentially have, contact with LEP persons. This includes documenting phone inquiries or office visits.

   a. Herkimer County other staff have had very little contact with LEP persons.

3. The nature and importance of services provided by Herkimer County to the LEP population

There is no large geographic concentration of any type of LEP individuals in the service area for Herkimer County. The overwhelming majority of the population, 95%, speaks only English. As a result, there are few social, service, or professional and leadership organizations within the Herkimer County service area that focus on outreach to LEP individuals. Herkimer County staff is most likely to encounter LEP individuals through office visits, phone conversations, notifications from department staff regarding the results of service delivery, and attendance and participation at public meetings.

4. The resources available to Herkimer County, and overall cost to provide LEP assistance

Herkimer County reviewed its available resources that could be used to provide LEP assistance and inventoried its documents to determine which are suitable for translation if the need arises.

   Herkimer County contacted local citizens and organizations willing to provide voluntary language translation and interpretation services if needed within a reasonable time period. Other language translation options could be provided by bilingual staff or by telephone from a professional interpretation service for which Herkimer County would pay a fee.
LANGUAGE ASSISTANCE

A person who does not speak English as her primary language and who has a limited ability to read, write, speak or understand English may be a Limited English Proficient person and may be eligible to language assistance with respect to Herkimer County services. Language assistance can include interpretation (that means oral or spoken transfer of a message from one language into another language) and translation (that means the written transfer of a message from one language into another language).

How the Herkimer County staff can identify an LEP person in need of language assistance:

- Post notices of the LEP Plan and the availability of interpretation or translation services free of charge in languages LEP persons would understand.
- Providing Herkimer County staff with language identification cards to assist in identifying the language interpretation services needed if the occasion arises.
- Periodically surveying Herkimer County staff regarding their interaction with LEP persons during the previous period (e.g., quarterly, semi-annually, and annually).
- Greeting participants at Herkimer County sponsored informational meetings or events. Conversational interaction with participants can help determine LEP needs for future events.

Language Assistance Measures

Although there is a very low percentage of LEP individuals in the Herkimer County service area, (i.e., persons who speak English less than “very well” or “not at all”,) Herkimer County will take the following actions:

1. Herkimer County staff will take reasonable steps to provide the opportunity for meaningful access to LEP clients who have difficulty communicating English.

2. The following resources will be available to accommodate LEP persons:

   - Volunteer Spanish language interpreters will be provided within a reasonable time period.
   - Language interpretation services for all other languages will be accessed through a professional telephone interpretation service.
STAFF TRAINING

The information below will be disseminated to staff. Training opportunities on these topics also will be provided and will be held by no later than September of 2018 and annually thereafter:

- Title VI Policy and LEP responsibilities
- Description of language assistance services offered to the public
- Proper use of interpreter service provider’s language identification cards
- Documentation of language assistance requests
- Handling of Title VI/LEP complaints

All contractors or subcontractors performing work for Herkimer County are required to follow the Title VI/LEP guidelines.

TRANSLATION OF DOCUMENTS

Herkimer County weighed the cost and benefits of translating documents for potential LEP groups. Considering the expense of translating documents, the likelihood of frequent changes in documents and other relevant factors, Herkimer County has determined that it is an unreasonable burden to translate documents at this time.

Due to the very small LEP population, Herkimer County does not have a formal outreach procedure in place as of 2018. Translation resources have been identified and are limited in this region. However, if the need arises to conduct outreach to LEP individuals, Herkimer County will consider the following options:

- When staff prepares documents or schedules public meetings whose audience is expected to include LEP individuals, Herkimer County will provide meeting notices, flyers, and agendas in the appropriate non-English language(s).
- Herkimer County will assess requests for the translation of documents based on the potential effect and known LEP population.
MONITORING

Monitoring and Updating the LEP Plan — Herkimer County will update the LEP Plan as required. At a minimum, the plan will be reviewed and updated when recent data from the U.S. Census and the American Community Survey is available, or when it is clear that higher concentrations of LEP individuals are present in the Herkimer County service area. Updates to the LEP Plan will include the following:

- The number of documented LEP contacts encountered annually.
- How the needs of LEP persons have been addressed.
- Determination of the current LEP population in the service area (census data, surveys, information from community-based organizations, and other sources).
- Determination as to whether the need for translation services has changed.
- Determination of the effectiveness of language assistance efforts
- Determination of the adequacy of Herkimer County financial resources to fund language assistance resources.
- Determination of Herkimer County’s full compliance with the goals of the LEP Plan.
- Determination of Herkimer County processing of LEP complaints

DISSEMINATION OF THE HERKIMER COUNTY LEP PLAN

Herkimer County will:

- Post signs in public areas informing LEP persons of the LEP Plan and how to access language services.
- Notify LEP persons of the availability, upon request of documents in other languages. This should be placed on agendas and public notices and in the language that LEP persons would understand.
- On the Herkimer County website, post the LEP Plan and procedure to access language services.
- Prepare and post press releases in non-English languages as necessary.
- Distribute copies of press releases to advocacy groups and other organizations serving LEP populations.

AMERICANS WITH DISABILITIES ACT (ADA) TRANSITION PLAN

ADA Transition Plan

This ADA Transition Plan reflects Herkimer County’s long-term commitment to ADA compliance, and details the stages of Herkimer County’s plan and timeline for: (1) evaluating accessibility by identifying any structural barriers associated with public facilities; (2) identifying accommodations and/or modifications that can be provided to make programs and services accessible; and (3) prioritizing the remediation of any deficiencies and formulating a budget and schedule for those improvements.

This Draft ADA Transition Plan will be revised and updated as the steps of the Plan are completed.

INTRODUCTION

ADA regulations prohibit discrimination against individuals on the basis of disability and require state and local governments to make their programs and services accessible to persons with disabilities. These requirements focus on providing accessibility by addressing and eliminating structural barriers associated with public facilities.

As detailed below, Herkimer County has made a significant and long-term commitment to improving the accessibility of its public facilities. The purpose of this Plan is to ensure that Herkimer County identifies prohibited structural barriers to its public facilities, and, where structurally feasible, schedules and implements ADA-required improvements in order to remove those barriers.

The ADA requires that the Transition Plan include the following components:

1) Identification of physical barriers in a public entity’s facilities that limit the accessibility of its programs, activities, or services to individuals with disabilities;
2) Identification of the methods to be used to remove any barriers limiting accessibility;
3) A schedule for completion of the necessary steps to achieve accessibility in public facilities; and
4) The name of the public entity’s ADA Coordinator.

The ADA Coordinator for Herkimer County shall be the Herkimer County Personnel Officer. The ADA Coordinator shall be responsible for implementing the County’s ADA Transition Plan.
STEP 1: IDENTIFICATION OF PHYSICAL BARRIERS IN Herkimer County FACILITIES

The first phase of the ADA Transition Plan is to evaluate the Herkimer County's public facilities for accessibility. Officials from Maintenance, Highway, and Personnel Departments will coordinate to conduct accessibility evaluations of the following facilities:

- Sidewalks, crosswalks, and curb ramps
- Publicly accessible buildings
- Parking lots serving publicly accessible buildings

For each facility evaluated, a Survey of Herkimer County Public Facilities ("the Survey") will be completed. Any deficiencies, suggested improvements, and observations relating to structural feasibility of improvements will be noted and recorded on the Survey. An Inventory of Public Facilities ("the Inventory") will also be created, and will serve as the central database for identified structural barriers, suggested improvements, and comments relating to structural feasibility of improvements.

Evaluation of Sidewalks, Crosswalks, and Curb Ramps

The Survey will contain the following ratings to assess the condition of each Herkimer County sidewalk, crosswalk, and curb ramp:

**Rating 1** – Not Applicable: A facility not considered to require accessibility, for example, limited-access highways.

**Rating 2** – Not Accessible: Significant discontinuity such as steps, no ramps, more than 100 feet of unpaved walkway, heaving, vertical displacement, other severe distress, flooding, etc.

**Rating 3** – Partially Accessible: Not designed to current standards, problems with geometry of sidewalks, ramps and landings, no detectable warnings, handrails, etc.

**Rating 4** – Accessible: May need additional improvements, for example circuitous routes, insufficient width, etc.

**Rating 5** – Fully Accessible: Designed to current standards, but reasonable accommodations may still be required for individual cases.

**Evaluation of Parking Lots and Publicly Accessible Buildings**

For the evaluation of publicly accessible buildings and the parking lots serving those buildings, the Survey will incorporate relevant portions of the ADA Checklist for Existing Facilities (based on the 2010 ADA Standards for Accessible Design), produced by the Institute for Human Centered Design.
Schedule for Completion

Herkimer County officials from its Maintenance, Highway, and Personnel Departments will be coordinating over the next several months to evaluate public buildings, parking lots, sidewalks, crosswalks, and curb ramps. Numerous facilities will be subject to this evaluation, and consequently this will be a substantial undertaking for the reviewing officials. The evaluations will be scheduled so as to evaluate outdoor facilities prior to the winter months (to avoid snow cover that may impede a thorough review), with any remaining evaluations of outdoor facilities to be completed by April 2019. Evaluations of indoor facilities will continue during the winter months. Therefore, it is estimated that Step 1 will be completed by April 2019.

STEP 2: IDENTIFICATION OF METHODS TO REMOVE BARRIERS

The second phase of the Herkimer County ADA Transition Plan is to develop a method to remove barriers. This includes identification of the nature of needed improvements and a determination regarding structural feasibility of improvements under the ADA standards, and prioritization of necessary improvements.

Once the necessary improvements have been identified and prioritized, this information, along with a list of any improvements determined to be physically unfeasible, will be presented at a meeting of the Herkimer County’s Properties Committee. It is Herkimer County’s practice to provide public notice of the dates and agendas of Committee meetings on the Herkimer County website. This will provide the public with an opportunity to participate in the formulation of the ADA Transition Plan.

A. Nature of Improvements and Structural Feasibility

The nature of necessary improvements will be determined during Step 1 – the accessibility evaluation of Herkimer County facilities – and will be incorporated into the ADA Transition Plan after completion of Step 1. Any improvements that Herkimer County officials determine are not structurally feasible, based on ADA regulations, will also be incorporated into the Plan.

B. Priority of Improvements

Sidewalks; Crosswalks; Curb Ramps

With respect to sidewalks, crosswalks and curb ramps, the primary focus of this ADA Transition Plan is to address all ADA noncompliant facilities, defined as those locations that have a rating of “2” and “3” on the scale discussed above.
The priority of improvements to these facilities will be as follows:

1) Those serving publicly accessible *Herkimer County* facilities;
2) Those serving commercial and employment centers; and
3) Those serving other areas.

**Parking Lots and Publicly Accessible Buildings**

The priority of improvements to parking lots and publicly accessible spaces in *Herkimer County* buildings will be based on the severity of the accessibility barrier and the frequency of public presence at the facility. Notably, the general assessment of Herkimer County facilities where public meetings take place are in substantial compliance with the ADA. All new construction or renovations to existing facilities have complied with ADA standards. As such, Herkimer County does not expect that its publicly accessible buildings and parking lots will require major structural improvements.

**STEP 3: SCHEDULE FOR COMPLETION OF NECESSARY IMPROVEMENTS**

Once the Inventory of Public Facilities has been completed, and necessary improvements have been prioritized as provided above, the *Herkimer County* will formulate an estimated budget for the improvements. The schedule for improvements will depend heavily upon the number and severity of the deficiencies identified during the accessibility evaluation, and the costs associated with the improvements. Herkimer County however, reiterates its commitment to making its public facilities accessible to all persons, regardless of disability. Herkimer County’s ADA Transition Plan will outline a specific schedule for improvements after Completion of Step 2, and this schedule will reflect Herkimer County’s commitment to ADA compliance.
