INTRODUCTORY LAW NO. 5 1991

LOCAL LAW NO. 5 - 1991

A LOCAL LAW AMENDING LOCAL LAW NO. 2 FOR THE YEAR 1984
DELETING CERTAIN SECTIONS AND ADDING NEW sections REQUIRED
BY STATE AND FEDERAL STATUTES AND POLICIES

BE IT ENACTED, by the Legislature of the County of
Herkimer as follows:

SECTION 1. Local Law No. 2 for the year 1984 is hereby
amended as follows:

(a) Section 131 thereof is deleted and a new Section 131
as follows is enacted in its place instead:

"Section 131. 'New Source' shall mean any source, the
construction of which is commenced, as defined by 40 CFR
403.1(3), after the publication of proposed regulations
prescribing a Section 307(c) (33 U.S.C. 1371) Categorical
Pretreatment Standard which will be applicable to such
source, if such standard is thereafter promulgated in
accordance with that section provided that: (a) the building,
structure, facility or installation is constructed at a site
at which no other source is located; or (b) the building,
structure, facility or installation totally replaces the
process or production equipment that causes the discharge
or pollutants at an existing source; or (c) the production
of wastewater generating processes of the building,
structure, facility or installation are substantially
independent of an existing source at the same site."

(b) The first sentence of Section 622(f) is deleted and
replaced by the following:

"If existing sources require additional pretreatment and/or
0 & M to meet the Pretreatment Standards; then the industrial
user shall provide the shortest schedule to accomplish such
additional pretreatment."

(c) The following paragraph is added to Section 622 (f):

"New sources shall install and have in operating condition
and shall start-up all pollution control equipment required
and meet applicable Pretreatment Standards before beginning
to discharge. Within the shortest feasible time (not to
exceed 90 days) new sources must meet all applicable
Pretreatment Standards."

(d) Section 623 thereof is deleted and a new Section 623 as
follows is enacted in its place instead:

"Within 9 months of the promulgation of a National
Pretreatment Standard, the Wastewater Discharge Agreement
or Permit of Users subject to such standards shall be
revised to require compliance with such standard within
the time frame prescribed by such standard. Where a User,
subject to a National Categorical Pretreatment Standard,
has not previously obtained a Wastewater Discharge Agreement
or Permit as required by Article VI of this Local Law, the
User shall do so within 180 days after the promulgation of
the applicable National Categorical Pretreatment Standard.
In addition, the User with an existing Wastewater Discharge
Agreement or Permit shall submit to the Sewer District
Administrator within 180 days after the promulgation of an
applicable Federal Categorical Pretreatment Standard a
Baseline Monitoring Report prepared in accordance with
40 CFR 403.12(b)."

Adopted: July 1, 1991.
