ADDENDUM 1

On Wednesday July 1, 2020, a site visit was held for any interested bidder. Questions and clarifications were addressed on site. In order to ensure all potential bidders have received the same information, this addendum is being issued and will become part of the bid packet.

1. Highlighted Drawing of areas to be included – please note:
   a. Yellow area – main entrance and parking lots
   b. Purple area – gravel fire loop
   c. Orange area – sidewalks and entrances
   d. Pink area – gated rec yards

2. Bidder should submit a “per visit” price with an associated time frame. In the event of a large storm, if the contractor needs to spend extended amounts of time on site, at what point would it be considered more than one visit.

3. NEW - Contractor should repair any damage to grassy areas or gravel roads at the end of the season no later than April 30th.
