REQUEST FOR PROPOSALS
RELOCATION OPTIONS

ADDENDUM #1
March 6, 2020

PLEASE NOTE CHANGES TO PROPOSAL SUBMITTALS AS FOLLOWS:

Each proposal submitted should contain two phases. Phase 1 being the concept evaluation that includes both options 1 & 2 with the requirements listed in the original request. Phase 2 of the submittal should contain the final design proposal for each option to include schematic design, design development, construction documents, bidding and construction administration.

NOTE: Field measurements and hazardous condition assessments should be included in Option 2.
