The 3 ft rule will *only* apply to students exposed to another student, in a standard classroom setting, **AND** fully masked throughout duration of exposure.

All other exposures will utilize 6 ft.

**CLASSROOM: STUDENTS & STAFF**

* * * Needs to be identified, reached by contact tracer and symptom status verified.

* * * Other factors and extenuating circumstances may alter contact tracing. Contact LHD for guidance.

  - If outdoor sport, Contact School Specialist and/or LHD for further direction

---

**Remarks:**

**Needs to be identified, reached by contact tracer and symptom status verified.**

**Other factors and extenuating circumstances may alter tracing. Contact LHD for guidance.**
Example Seating Chart

Use of 3 ft in Classroom Setting Only

A 6 foot radius must be used if masking consistent for all times during the class, unless a positive COVID-19 case was a staff member. If positive individual was not consistent or was not masked, further expanded impact exposures considered as close.
